Announces Sponsorship of the New York Police & Fire Widows' & Children's Benefit Fund and 'Kick Off to Summer' Benefit

Mineola, NY -- Meltzer, Lippe, Goldstein & Breitstone, LLP, is proud to announce its support for the New York Police & Fire Widows' & Children's Benefit Fund and their "Kick Off to Summer" benefit" taking place May 2014.

Partner and "Kick Off to Summer Benefit" committee member Jonathan Farrell stated, "Meltzer Lippe takes great pride in serving those who serve us; supporting the Benefit Fund's efforts to be there for the families of our police, fire and emergency service personnel is a cause the whole firm is excited to rally behind."

The Benefit Fund, and its cause, first came to the firm's attention through attorney Norman Cerullo, Counsel to the Meltzer Lippe litigation practice and a member of the Benefit Fund Jr. Committee Board of Directors.

A member of Norm's family was a New York Police Officer killed-in-action; as a result Norman has been a supporter of The Fund for many years. In 2011, when Norman joined Meltzer Lippe, he educated the firm about the Fund and its innumerable good deeds. Consequently Meltzer Lippe has been pleased to support The Fund since 2012 and sponsors the Fund "Game & Family Day" at Citi Field and actively raises funds to support the Benefit Fund "Kick Off to Summer" benefit."

The firm, annually, exercises additional support through Norman's fund-raising page at <http://kickofftosummer.karma411.com/normancerullo>

The funds raised from this event will allow the Benefit Fund to

About the Benefit Fund

The New York Police and Fire Widows' and Children's Benefit Fund-- founded in 1985 by Daniel J. "Rusty" Staub is a non-profit organization dedicated to assisting the families of New York City Firefighters, Police Officers, Port Authority Police, and EMS personnel killed in the line of duty. Immediately upon the death of one of these first responders, The Fund provides the grieving family with \$25,000 and every year thereafter, that family becomes part of our family and receives an annual distribution of \$4,000 for the remainder of each widow or widower's life.

Aside from the financial assistance, the Benefit Fund also provides a network of support and gatherings for our families to connect and cope. Relying solely on the support of private contributions, the Benefit Fund has distributed over \$126 million to the families of fallen first responders since its inception. In 2012 alone, the Benefit Fund distributed over \$2.4 million to over 600 families.
